# License to Swim Initiative

Through the License to Swim initiative, 271 children learned to swim, of those, 70 children graduated receiving their license to swim. These children came from all over southwest Florida and ranged in ages from one to twelve-years old. A huge thank you to the local sponsors of the program, TLC Marketing and Creative Services owner Trish Leonard and Gary Price. Thank you to all the donors who made their graduation celebration a day to remember.

## LICENSE TO SWIM

Sponsored by local Bonita Springs residents:  
Trish Leonard and Gary Price

Out of the 271 kids participating in the program, 70 will be receiving the License to Swim!
